CHAUDHRY ASIM AZIZ CEO'S MESSAGE

Fastest Reliable & Hi-Tech Development – Abdullah City

Abdullah City is a leading real estate project in Islamabad that I take pride in. We have forged relationships with our clients and have a strong commitment to them. With modern technology, we are able to give our clients the best experience possible in all markets. Our values and business culture are reflected in the way we work together.

Abdullah City is Pakistan's first lifestyle destination developed by Aziz Builders & Developers. Inside Abdullah City, there is a wide range of facilities that are available for residents like parks, hospitality, education, restaurants, and so on. Residents will be able to lead Pakistan into its golden era in the future.
